

Notice of Public Hearing

THE FALMOUTH HOUSING AUTHORITY invites all tenants and the general public to a review of the Authority's Proposed Annual Plan for Fiscal Year 2027

The Annual Plan is intended to provide insight into the Authority's operations and plans for the coming fiscal year as they affect the Authority's state-aided public housing. The Proposed Annual Plan is comprised of the following elements:

1. Proposed Capital Improvement Plan
2. Proposed Maintenance and Repair Plan
3. Current Operating Budget
4. Responses to the Performance Management Review (PMR) findings
5. List of housing authority policies
6. List of waivers from governing regulations of the Executive Office of Housing and Livable Communities (EOHLC)
7. Other elements

Hearing time and date: 4:30 PM on 7/22/2026

Hearing location: Please join us virtually:

www.zoom.us

Meeting ID: 890 6288 4820

Residents and the general public are invited to review the Annual Plan before the hearing and may submit public comments as noted below. The Authority shall consider the concerns of any Local Tenants' Organization (LTO) or Resident Advisory Board (RAB) regarding needs and priorities and incorporate some or all of such needs and priorities in the draft plan if deemed by the Authority to be consistent with sound management. Substantive comments will be summarized and included in the Annual Plan when it is submitted to the Executive Office of Housing and Livable Communities (EOHLC).

- o Copies of the Annual Plan are available at the Authority's office or may be reviewed online at <https://publichousingfacilityreview.mass.gov/Public?ap=179>
- o Comments may be submitted orally at the hearing, by emailing the housing authority office, or by submitting written comments at the housing authority office. Comments must be received no later than the close of the public hearing.
- o For reasonable accommodation requests contact the housing authority office by 7/8/2026 at 4:00 PM
- o Contact information for FALMOUTH HOUSING AUTHORITY:
Office: 115 Scranton Ave. Falmouth, MA 02540
Phone: 508-548-1977
Email: brichards@falmouthhousing.org

Aviso de audiencia pública

EL/LA FALMOUTH HOUSING AUTHORITY

invita a todos los arrendatarios y al público en general a una revisión del Plan Anual Propuesto por la autoridad para el año fiscal 2027

El Plan anual tiene como objetivo dar a conocer las operaciones de la autoridad y sus planes para el año fiscal entrante en lo que respecta a sus iniciativas de vivienda pública con financiamiento estatal. El Plan anual propuesto comprende los siguientes elementos:

1. Plan de mejoras de capital propuesto
2. Plan de mantenimiento y reparaciones propuesto
3. Presupuesto operativo actual
4. Respuestas a los hallazgos en la Revisión de gestión del desempeño (PMR)
5. Listado de las políticas de la autoridad de vivienda
6. Listado de las exenciones a las normas vigentes del Departamento de Vivienda y Desarrollo Comunitario (EOHLC)
7. Otros elementos

Fecha y hora de la audiencia: 4:30 PM on 7/22/2026

Lugar de la audiencia: Please join us virtually:

www.zoom.us

Meeting ID: 890 6288 4820

Invitamos a los residentes y al público en general a leer el Plan anual antes de la audiencia y a hacer comentarios públicos por los medios que se indican más abajo. La autoridad tomará en consideración las inquietudes de cualquier organización de arrendatarios locales (LTO) o junta asesora de residentes (RAB) en relación con las necesidades y prioridades. Si las considera consistentes con los principios de buena gestión, la autoridad incorporará dichas necesidades y prioridades -en parte o en su totalidad- en la versión preliminar del plan. Los comentarios sustantivos se resumirán e incluirán en el Plan anual cuando este se envíe al Oficina Ejecutiva de Vivienda y Comunidades Habitables (EOHLC).

- o Puede obtener copias del Plan anual en la oficina de la autoridad o consultar el Plan por Internet en <https://publichousingfacilityreview.mass.gov/Public?ap=179>. El Plan está disponible únicamente en inglés.
- o Si desea hacer comentarios, puede hacerlo oralmente en la audiencia o enviar los comentarios por correo electrónico o postal a la oficina de la autoridad de vivienda. Los comentarios se deben recibir antes del cierre de la audiencia pública.
- o Si tiene una solicitud razonable en relación con una discapacidad, póngase en contacto con la oficina de la autoridad de vivienda antes del 7/22/2026 a las 4:30 PM.
- o Información de contacto de FALMOUTH HOUSING AUTHORITY:
Oficina: 115 Scranton Ave. Falmouth, MA 02540
Teléfono: 508-548-1977
Correo electrónico: brichards@falmouthhousing.org

Thông báo Điều trần Công khai

FALMOUTH HOUSING AUTHORITY

xin mời tất cả những người thuê nhà và cộng đồng đến tham dự buổi đánh giá Kế hoạch Hàng năm Đề xuất cho Năm Tài chính của Cơ quan Quản lý 2027

Kế hoạch Hàng năm này nhằm đem lại cái nhìn sâu sắc đối với các hoạt động của Cơ quan Quản lý và các kế hoạch cho năm tài chính sắp tới vì chúng ảnh hưởng đến vấn đề gia cư công cộng có sự trợ giúp của tiểu bang của Cơ quan Quản lý. Kế hoạch Hàng năm Đề xuất bao gồm các thành phần sau:

1. Kế hoạch Cải tạo Cơ bản Đề xuất
2. Kế hoạch Bảo trì và Sửa chữa Đề xuất
3. Ngân sách Vận hành Hiện tại
4. Trả lời đối với những phát hiện trong bản Đánh giá Quản lý Hoạt động (PMR)
5. Danh sách các chính sách của cơ quan quản lý gia cư
6. Danh sách các quyết định miễn tuân thủ các quy định chi phối của Sở Gia cư và Phát triển Cộng đồng (EOHLC)
7. Các thành phần khác

Ngày và giờ điều trần: 4:30 PM và 7/22/2026

Địa điểm điều trần: Please join us virtually:

www.zoom.us

Meeting ID: 890 6288 4820

Các cư dân và cộng đồng được mời tham gia xem xét Kế hoạch Hàng năm trước phiên điều trần và có thể gửi ý kiến đóng góp của công chúng như được mô tả dưới đây. Cơ quan Quản lý phải cân nhắc các quan ngại của bất kỳ Tổ chức của Người Thuê nhà Địa phương (LTO) hay Hội đồng Cố vấn Cư dân (RAB) nào về các nhu cầu và ưu tiên và kết hợp một số hoặc tất cả các nhu cầu và ưu tiên đó trong bản thảo kế hoạch nếu Cơ quan Quản lý coi là phù hợp với việc quản lý hợp lý. Các ý kiến đóng góp có cơ sở sẽ được tóm tắt và đưa vào nội dung Kế hoạch Hàng năm khi nộp cho Sở Gia cư và Phát triển Cộng đồng (EOHLC).

- Các bản sao của Kế hoạch Hàng năm sẵn có tại văn phòng Cơ quan Quản lý hoặc quý vị có thể xem trực tuyến tại <https://publichousingfacilityreview.mass.gov/Public?ap=179>. Các bản này chỉ có bằng Tiếng Anh.
- Các ý kiến đóng góp có thể được nộp bằng lời tại buổi điều trần, gửi email cho văn phòng cơ quan quản lý gia cư, hoặc nộp ý kiến bằng văn bản tại văn phòng cơ quan quản lý gia cư. Các ý kiến đóng góp phải được nhận không muộn hơn giờ kết thúc phiên điều trần.
- Để đưa ra các yêu cầu về biện pháp điều chỉnh đặc biệt hợp lý, hãy liên hệ với văn phòng cơ quan quản lý gia cư trước 7/22/2026 lúc 4:30 PM.
- Thông tin liên hệ cho FALMOUTH HOUSING AUTHORITY:
Văn phòng: 115 Scranton Ave. Falmouth, MA 02540

开公众听证会的通知

FALMOUTH HOUSING AUTHORITY 邀请所有租户和公众 对本管理局的{ }财政年度建议的《年度计划》进行审查

该《年度计划》旨在深入了解本管理局的运作和下一财政年度的计划，因为它们会影响到管理局的有国家援助的公共住房。建议的年度计划包括以下内容：2027

1. 建议的资本改善计划
2. 建议的维修计划
3. 当前的运营预算
4. 对绩效管理审查（PMR）调查结果的回应
5. 住房管理局政策一览表
6. 从住房和社区发展部（EOHLC）的法规可豁免的条例清单
7. 其他基本点

听证会时间和日期: 4:30 PM 在 7/22/2026

听证会地点: Please join us virtually:

www.zoom.us

Meeting ID: 890 6288 4820

请租户和公众在听证会之前审阅《年度计划》，并可以按照以下说明提交公众意见。本管理局将考虑任何地方租户组织（LTO）或居民咨询委员会（RAB）对需求和需优先考虑的事项的关注，并在管理局认为是与明智、稳妥的管理相一致的情况下，将部分或全部此类需求和需优先考虑的事项纳入计划草案。公众的实质性意见会被汇总并纳入《年度计划》，然后被提交给住房和社区发展部（EOHLC）。

- 可以在管理局的办公室获得《年度计划》的副本，或者可以上网进入 <https://publichousingfacilityreview.mass.gov/Public?ap=179> 在线查看。那些副本或网上内容是用英语的。
- 各位要提出评论，可以在听证会上通过口头方式、或通过向住房管理局的办公室发送电子邮件、或在住房管理局的办公室当面提交书面评论。所有评论必须在公众听证会结束之前收到。
- 对于合理的需通融的要求，请在{时间}之前通过4:30 PM 在 7/22/2026 与住房管理局的办公室联系。
- FALMOUTH HOUSING AUTHORITY 的联系方式：

Aviso de Audiência Pública

O FALMOUTH HOUSING AUTHORITY

convida todos os locatários e o público em geral para uma revisão do plano anual proposto pela Autoridade para o ano fiscal 2027

O Plano Anual é destinado a fornecer insights sobre as operações e planos da Autoridade para o próximo ano fiscal, uma vez que afetam as habitações públicas da Autoridade. O plano anual proposto é composto pelos seguintes elementos:

1. Plano de melhoria de capital proposto
2. Plano de manutenção e reparação proposto
3. Orçamento operacional atual
4. Respostas aos achados da Revisão de Gerenciamento de Desempenho (PMR)
5. Lista de políticas da autoridade habitacional
6. Lista de isenções de regulamentos aplicáveis do Departamento de Habitação e Desenvolvimento Comunitário (EOHLC)
7. Outros elementos

Data e hora da audiência: 4:30 PM on 7/22/2026

Local da audiência: Please join us virtually:

www.zoom.us

Meeting ID: 890 6288 4820

Os residentes e o público em geral são convidados a revisar o Plano Anual antes da audiência e podem enviar comentários públicos, conforme indicado abaixo. A Autoridade deve considerar as preocupações de qualquer Organização de Locatários Locais (LTO) ou Conselho Consultivo de Residentes (RAB) em relação às necessidades e prioridades e incorporar algumas ou todas essas necessidades e prioridades ao projeto do plano se a Autoridade considerar que é consistente com a boa gestão. Os comentários substanciais serão resumidos e incluídos no Plano Anual quando este for submetido ao Departamento de Habitação e Desenvolvimento Comunitário (EOHLC).

- Cópias do Plano Anual estão disponíveis no escritório da Autoridade ou podem ser analisadas on-line em <https://publichousingfacilityreview.mass.gov/Public?ap=179> . Estas estão apenas no idioma inglês.
- Os comentários podem ser apresentados oralmente na audiência, por e-mail para o escritório da autoridade habitacional ou por escrito para o escritório da autoridade habitacional. Os comentários devem ser recebidos, no máximo, até o encerramento da audiência pública.
- Para solicitações razoáveis de acomodação, entre em contato com o escritório da autoridade habitacional em 7/22/2026 às 4:30 PM.
- Informações de contato para FALMOUTH HOUSING AUTHORITY:
Escritório: 115 Scranton Ave. Falmouth, MA 02540

Уведомление о публичном слушании

FALMOUTH HOUSING AUTHORITY

приглашает всех жильцов и представителей общественности
принять участие в рассмотрении предлагаемого Управлением
Годового плана на фискальный год 2027

Целью Годового плана является представление сведений о деятельности и планах Управления на предстоящий фискальный год в том, что касается предоставления социального жилья Управлением при поддержке государства. Предлагаемый Годовой план включает следующие разделы:

1. Предлагаемый план капитального ремонта ;
2. Предлагаемый план технического обслуживания и ремонта;
3. Смета текущих расходов;
4. Ответы по результатам оценки организации хозяйственной деятельности (PMR);
5. Список политик Жилищного управления;
6. Список отказов от постановлений Департамента жилищного хозяйства и общественного развития (EOHLC);
7. Другие разделы.

Время слушания: 4:30 PM Дата слушания 7/22/2026
Место проведения слушания: Please join us virtually:
www.zoom.us
Meeting ID: 890 6288 4820

Жильцы и представители общественности приглашаются принять участие в рассмотрении Годового плана перед началом слушания и могут делать открытые замечания, как указано ниже. Управление рассмотрит замечания Местной жилищной организации (LTO) или Жилищного консультационного совета (RAB), касающиеся потребностей и приоритетов жильцов, и включит все такие приоритеты и потребности или их часть в проект плана, если Управление посчитает, что они соответствуют принципам рационального управления. Содержательные замечания будут резюмированы и включены в Годовой план при его подаче в Департамент жилищного хозяйства и общественного развития (EOHLC).

- Копии Годового плана можно получить в офисе Управления или на сайте: <https://publichousingfacilityreview.mass.gov/Public?ap=179> . Документы доступны только на английском языке.
- Замечания можно сделать устно в ходе слушания, а также отправить их по электронной почте в офис Жилищного управления или оставив их в письменном виде в офисе Управления. Замечания должны быть получены до закрытия публичного слушания.
- Разумные запросы о размещении можно направить в офис Жилищного управления до 7/22/2026 4:30 PM
- Контактная информация FALMOUTH HOUSING AUTHORITY

Meeting ID: 890 6288 4820

FALMOUTH HOUSING AUTHORITY
Proposed Annual Plan for Fiscal Year 2027
For State-Aided Public Housing

The Annual Plan is a document compiled by housing authority staff in advance of each new fiscal year. The plan serves as both a tool for the Local Housing Authority (LHA) to reflect upon the prior fiscal year, and as an opportunity to develop a clear and transparent plan that builds on successes, identifies needs, and corrects any issues that have arisen in prior years. Additionally, the Annual Plan is an important tool for tenants, who may use the document to better understand the operations and needs of their housing authority, advocate for changes to policies and procedures, access data about the housing authority, and participate in their housing authority's governance.

In addition to the physical document, the Annual Plan is also a process of public engagement. Throughout the Annual Plan process, the LHA executive director or their designee will be expected to review the Plan with any Local Tenant Organizations (LTO's) and Resident Advisory Board (RAB) before the LHA presents the plan to the LHA Board of Commissioners; make a draft available for review to all residents and the general public; post on the website and make a copy available to each LTO at least 30 business days before the public hearing; hold a hearing on the document; and collect, integrate, and report back on substantive comments. Additionally, the Board will read, offer recommendations, and approve the Annual Plan in advance of its submission to EOHL.

The law that mandates the Annual Plan is [An Act Relative to Local Housing Authorities, Massachusetts General Laws, Chapter 121B Section 28A](#). The regulation that expands upon Section 28A is 760 CMR 4.16. The regulations that address Local Tenant Organization (LTO) and resident participation in the Annual Plan are 760 CMR 6.09 (3)(h) and 760 CMR 6.09(4)(a)(4).

The FALMOUTH HOUSING AUTHORITY's Annual Plan for their 2027 fiscal year includes the following components:

1. Overview and Certification
2. Capital Improvement Plan (CIP)
3. Maintenance and Repair Plan
4. Operating Budget
5. Narrative responses to Performance Management Review (PMR) findings
6. Policies
7. Waivers
8. Glossary
9. Other Elements, which may include:
 - a. Approval documents and any Public Comments
 - b. Tenant Satisfaction Survey
 - c. Performant Management Review report
 - d. Other documents added by LHA

State-Aided Public Housing Developments

The following table identifies the state-aided public housing units with developments of more than 8 units listed separately. Units in developments of 8 or fewer units are aggregated as noted. Units that the LHA provides to assist clients of the Department of Mental Health (DMH), the Department of Developmental Services (DDS), or other agencies are also aggregated separately.

Dev No	Type	Development Name	Num Bldgs	Year Built	Dwelling Units
667-01	Elderly	MAYFLOWER	4	1956	24
667-02	Elderly	SALT SEA	7	1960	30
	Family	Family units in smaller developments	25		25
	Other	Other Special Occupancy units	1		8
Total			37		87

Massachusetts Rental Voucher Program (MRVP)

The Massachusetts Rental Voucher Program (MRVP) is a state-funded program that provides rental subsidies to low-income families and individuals. In most cases, a “mobile” voucher is issued to the household, which is valid for any market-rate housing unit that meets the standards of the state sanitary code and program rent limitations. In some cases, vouchers are “project-based” into a specific housing development; such vouchers remain at the development if the tenant decides to move out.

FALMOUTH HOUSING AUTHORITY manages 38 MRVP vouchers.

Federally Assisted Developments

FALMOUTH HOUSING AUTHORITY also manages Federally-assisted public housing developments and/or federal rental subsidy vouchers serving 801 households.

C.	Notify all LTOs or RAB (if there is one) of the hearing and provide access to the Proposed Annual Plan.	N/A
D.	Post draft AP for tenant and public viewing.	6/4/2026
E.	Hold quarterly meeting with LTO or RAB to review the draft AP. (Must occur before the LHA Board reviews the Annual Plan.)	N/A
F.	Annual Plan Hearing. Hosted by the LHA Board, with a quorum of members present. (For Boston, the Administrator will host the hearing.)	
G.	Executive Director presents the Annual Plan to the Board.	
H.	Board votes to approve the AP. (For Boston Housing Authority, the Administrator approves and submits the AP.)	

This Annual Plan (AP) will be reviewed by the Executive Office of Housing and Livable Communities (EOHLC) following the public comment period, the public hearing, and LHA approval.

Capital Improvement Plan (CIP) Description

What Is the Capital Improvement Plan?

The Capital Improvement Plan (CIP) is a five-year plan that outlines major repairs and improvements to housing authority properties. It describes each project's scope, estimated cost, and timeline, while reflecting the Local Housing Authority's prioritization of its most critical needs, particularly those related to resident health and safety. The plan also identifies how projects may be funded and when they are anticipated to take place, based on the Massachusetts Executive Office of Housing and Livable Communities (EOHLC) fiscal year (July 1 through June 30).

How Projects Are Funded Each Year

Each year, every Local Housing Authority (LHA) receives a Formula Funding Award from EOHLC. This annual award provides the primary source of funding for new projects included in the CIP. While funding levels may vary, it is generally reasonable to anticipate that similar award amounts will be available over the next two years, which helps inform project planning and scheduling. LHAs may also apply for additional "special awards" from EOHLC for specific projects that meet certain criteria, such as emergency repairs, regulatory compliance, or energy and water conservation improvements.

Why Plans and Costs May Change

The CIP is a planning document and must be submitted to EOHLC for review and approval. While the plan reflects current cost estimates, project budgets often increase between the time they are planned and when construction begins. As a result, available funding may not go as far as originally anticipated, and some projects may need to be adjusted, delayed, or completed in phases.

Why Project Schedules Can Shift

Because the CIP is updated each year, project schedules and priorities may change over time. In particular, previously unidentified conditions or urgent repair needs may arise after the plan is developed; due to their impact on health, safety, or building integrity, these issues may take precedence over projects that were previously scheduled. When this occurs, the plan may be updated through CIP Revision.

To better understand how a plan has changed—including which projects were advanced, delayed, or added—it is helpful to compare the current year's CIP with the prior year's CIP. This comparison can show how EOHLC funding decisions and plan revisions have affected project timing and priorities.

Other Funding Sources

LHAs may sometimes secure other sources of funding and assistance that you will note in their CIP, such as: Community Preservation Act (CPA) funding, Community Development Block Grant (CDBG) funding, Local Affordable Housing Trust Funds (AHTF), HOME grants, income from leasing a cell tower on their property, savings from net meter credit contracts with solar developers, utility rebates and contracted work from utility providers. However, not all of these funding sources are available every year, or in all communities.

The CIP includes the following parts:

1. A list of existing projects approved in last year's CIP Plan or added to the plan through CIP Revision during the year.
2. A list of planned capital projects showing spending per fiscal year.
3. 'Narrative Questions' with a variety of additional information.

Active and Proposed Projects with Projected Spending by Fiscal Year

Active Projects			
Project #	Project Title	Development	Total Development Cost
096103	VUI 189 Old Barnstable Rd.		\$288,702.00
096112	AIP: 667 Routine Turnovers		\$10,800.00
096072	Screen doors, bulkhead and window screens	BAYBERRY HOUSE	\$5,000.00
096086	ARPA TAR & FF 38 Marshall Drive- Vacant Unit Turnover		\$186,841.92
096090	Roof Replacement Project		\$30,960.00
096091	VUI 130 Edgewater West		\$238,141.61
096092	Kitchen Rehab Project		\$125,975.04
096096	VUI 20 Madeline Rd		\$201,491.46
096099	Windows & Painting at Salt Sea	SALT SEA	\$584,794.09
096100	Basement/Boiler Room Stairwell Retaining Wall Repair	MAYFLOWER	\$66,500.00
096101	VUI 44 Carolyn Ln		\$213,620.47
096104	Site Drainage & Crawlspace Waterproofing	MAYFLOWER	\$26,525.00
096105	Tree Trimming & Removal 705/667-1	MAYFLOWER	\$22,384.00
096106	SUST Replace Gas Ranges with Electric Ranges 667-1	MAYFLOWER	\$137,356.00
096107	Additional Parking Spaces	MAYFLOWER	\$9,900.00
096108	Replace Gas Ranges with Electric Ranges 667-2	SALT SEA	\$16,994.00
096109	Roof Replacement Project		\$22,850.00
096111	Vacant Unit Rehab Unit 2A 667-1	MAYFLOWER	\$49,155.00
096113	Bathroom Exhaust Fans 667-1/667-2	MAYFLOWER	\$227,821.98
096114	Storm Drainage & Basement Waterproofing 705-A		\$51,000.00
096115	Vacant Unit Turnover 123 Maravista Ave. - task force		\$50,000.00
096117	Family Housing Smoke & Carbon Monoxide Detector Updates		\$51,000.00
096118	Building Ventilation Upgrades & Indoor Humidity Control 667-1	MAYFLOWER	\$10,000.00
096119	EMG Boiler Repair 667-2 BLDG. D	SALT SEA	\$0.00
096120	Vacant Unit Turnover 28 Milton St.		\$0.00
Total			\$2,627,812.57

Proposed Projects			
FY2027	Available Formula Funding:		\$218,176.88
Project Title	Development	Total Development Cost	Special Award(s) Requested
Earmark Funding: Window Replacement 667-1	MAYFLOWER	\$414,009.00	
Fire Sprinkler System Compliance Upgrade - Bayberry House	BAYBERRY HOUSE	\$11,410.00	
Total		\$425,419.00	

Proposed Projects			
FY2028	Anticipated Formula Funding:		\$218,176.88
Project Title	Development	Total Development Cost	
Flooring Replacement (Bayberry)	BAYBERRY HOUSE	\$101,820.00	
2nd Floor Bathroom Renovation - Bayberry	BAYBERRY HOUSE	\$88,582.00	
Handicap Accessible Ramp Reasonable Accommodation 38 Marshall Dr.	38 MARSHALL DRIVE	\$14,715.00	
Total		\$205,117.00	

Proposed Projects			
FY2029	Anticipated Formula Funding:		\$218,176.88
Project Title	Development	Total Development Cost	
Siding, Windows, & Door Replacement 28 Milton	28 MILTON STREET	\$248,253.00	
Total		\$248,253.00	

Years 4 and 5 (reflect estimated annual planning amounts)		
FY2030 and FY2031		
Project Title	Development	Total Development Cost
Replace wood shingles	SALT SEA	\$761,668.00
Building Envelope Upgrade 667-1	MAYFLOWER	\$805,285.00
Total		\$1,566,953.00

The 'Narrative Questions' with Additional Information

1. Project Closeout

Have you reviewed in progress projects, contacted your PM to close out old projects, and recirculated unused funds? Please explain why or why not.

Answer: No

Explanation: FHA has no active projects to close.

2. Request for Additional Funding

Request additional funding from EOHLIC by going to the project's detail page and adding a comment that includes the funding type and requested amount. Upload any relevant attachments at the bottom of this form. Do not include requests already approved in your latest CIP.

3. Overall Goals of the Capital Improvement Plan

What do you plan to achieve with this year's CIP plan and how do the projects you've selected support this goal?

Explanation: This LHA has many high priority projects that will begin to address its the needs at select 705 Family housing units including vacancies and continue to address aging components at its 667-1, 667-2 and 689-1 developments.

The Service Provider for 689-1 Bayberry House has requested that the FHA replace flooring throughout the house, stating that they have failed annual inspections for their MA State Licensing Certifications due to the conditions. This project has been added to FY27 and is considered a high priority.

4. Changes from the Previous CIP

Aside from completing projects that were listed in your previous CIP and adding new projects in the new planning year(s), in what way does your new CIP differ from your previous CIP?

Explanation: No changes.

5. Requirements from previous CIP approval

A. Approval Requirements

Did your previous CIP Approval Letter include conditions to be satisfied when implementing the CIP projects or conditions to be included in your new CIP?

Answer: No

6. Project Priorities

Does your CIP only include high priority capital projects (Priority 1 and 2 projects)? If no, explain your rationale for including lower priority projects.

Answer: Yes

7. High Priority Deficiencies

Are there any high priority capital deficiencies (priority 1 or 2 projects) in your CPS Backlog that you could not fit in your year 1 or 2 CIP plan? If yes, provide an explanation and the plan to address the deficiencies. Make sure to go through the CPS Backlog and update priorities when necessary.

Answer: No

8. Accessibility

Are you aware of any accessibility deficiencies in your portfolio (units, common areas, and sites)? If yes, describe the deficiencies and list the projects in this CIP that will address them.

Answer: Yes

Explanation: There are no accessible units in this LHA's portfolio.

9. Special Needs Development

A. DMH/DDS Developments

LHAs must meet with each service provider on an annual basis to discuss the physical condition and necessary repairs of each of the DDS/DMH developments (167 or 689). Does your LHA have one or more DDS/DMH developments? If yes, provide details from the service provider input.

Answer: Yes

B. DMH/DDS Projects

Does your plan include projects for the DMH/DDS developments recommended by this service provider? If no, provide an explanation. Include input from the service provider staff for expanding the DMH/DDS set aside.

Service Provider Input Completion Date: 07/23/2025

Answer: Yes

10. Sustainability Program

Are you requesting Sustainability Funding for any of your projects?

Answer: No

11. Solar Initiatives

Does your current CIP contain roof replacement projects?

Answer: No

12. Resilience

Are any of your developments flagged for weather vulnerabilities in CPS? For example, sea-level rise/storm surge, rainfall flooding, and extreme heat.

Answer: Yes

If yes, do the projects in this CIP planned at these developments incorporate resilient design elements into the initial design plans and costs? If no, please explain.

Answer: No

Explanation: Resilient design elements are not a factor with FHA priority projects.

13. Fossil Fuels

PHN 2024-11 stipulates that EOHL Capital Funds cannot be used to install new fossil fuel-fired equipment, barring a few exceptions. This includes natural gas, propane, and heating oil.

Will fossil fuel-fired equipment be installed as a part of any project in this CIP?

Answer: No

14. Vacant Units

Please list the projects in this CIP submission that are tied to reoccupying vacant units. If there are none, write none.

Explanation: Project #096-705-0N-001-25-2323: Vacant Unit Turnover & Building Envelope Upgrades
28 Milton St.

15. EOHL/RCAT Assistance

Has EOHL or RCAT staff provided you with assistance developing this CIP? If yes, who were the EOHL or RCAT staff involved?

Answer: Yes

Explanation: Kyle Moore SE RCAT

16. Certification Statement

I certify that this is the complete and accurate list of projects that I will be submitting to the Board for approval as part of the Annual Plan process.

If there are any additions, deletions, or modifications to this list of projects resulting from the Board or LTO/public meeting, I will promptly notify my EOHLC Project Manager and RCAT Project Manager and make the necessary changes.

Answer: Yes

17. Other Comments

Comments: FHA thanks RCAT for their assistance on the CIP. The Board approved the FY27 CIP.

Maintenance and Repair Plan

Maintenance Objective

The goal of good property maintenance at a public housing authority is to serve the residents by assuring that the homes in which they live are decent, safe, and sanitary.

About This Maintenance and Repair Plan

This Maintenance & Repair Plan consists of several subsections describing maintenance systems followed by charts showing typical preventive maintenance, routine maintenance, and unit inspection tasks and schedules. These subsections are:

- a. **Classification and Prioritization of Maintenance Tasks** - Defines and prioritizes types of work to be accomplished by maintenance staff and vendors. Explains how the housing authority is expected to respond to work orders (tasks or requests) based on the work order classification.
- b. **Emergency Response System** - Defines what constitutes an emergency and how to notify staff of an emergency.
- c. **Normal Maintenance Response System** - How to contact the maintenance staff for a non-emergency request.
- d. **Work Order Management** - Description of the housing authority's system for managing work orders (tasks and requests).
- e. **Maintenance Plan Narrative & Policy Statement** - Self-assessment, basic information, and goals for the coming year, along with a description of the housing authority's maintenance program.
- f. **Preventive Maintenance Schedule** - A listing and schedule of tasks designed to keep systems and equipment operating properly, to extend the life these systems and equipment, and to avoid unexpected breakdowns.
- g. **Routine Maintenance Schedule** - A listing and schedule of ordinary maintenance tasks such as mopping, mowing, raking, and trash collection required to keep the facilities in good condition.
- h. **Unit Inspections** - Scheduling of annual unit inspections.

Classification and Prioritization of Maintenance Tasks

Maintenance items are tracked as “work orders” and are classified in the following categories. They are prioritized in the order listed. The following classifications and prioritization are required by the Executive Office of Housing and Livable Communities (EOHLC).

- I. **Emergencies** - Emergencies are only those conditions which are **immediately threatening** to the life or safety of our residents, staff, or structures.
 - Goal: initiated with 24 to 48 hours.
- II. **Vacancy Refurbishment - Work necessary to make empty units ready for new tenants.**
 - After emergencies, the refurbishment of vacancies for immediate re-occupancy has the highest priority for staff assignments. **Everyday a unit is vacant is a day of lost rent.**
 - **Goal: vacancy work orders are completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.**
- III. **Preventive Maintenance** - Work which must be done to **preserve and extend the useful life** of various elements of your physical property and avoid emergency situations.
 - A thorough Preventive Maintenance Program and Schedule that deals with all elements of the physical property is provided later in the document.
 - The Preventive Maintenance Program is reviewed and updated annually and as new systems and facilities are installed.
- IV. **Programmed Maintenance** - Work which is important and is completed to the greatest extent possible within time and budget constraints. Programmed maintenance is grouped and scheduled to make its completion as efficient as possible. Sources of programmed maintenance include:
 - Routine Work includes those tasks that need to be done on a regular basis to keep our physical property in good shape. (Mopping, Mowing, Raking, Trash, etc.)
 - Inspections are the other source of programmed maintenance.
 - ◇ Inspections are visual and operational examinations of parts of our property to determine their condition.
 - ◇ All dwelling units, buildings and sites must be inspected at least annually.
 - ◇ **Goal: Inspection-generated work orders are completed within 30 calendar days from the date of inspection, OR if cannot be completed within 30 calendar days, are added to the Deferred Maintenance Plan or the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).**
- V. **Requested Maintenance** - Work which is requested by residents or others, does not fall into any category above, and should be accomplished as time and funds are available.
 - Requests from residents or others for maintenance work which does not fall into one of the other categories has the lowest priority for staff assignment.
 - **Goal: Requested work orders are completed in 14 calendar days from the date of tenant request or if not completed within that timeframe (and not a health or safety issue), the task is added and completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.**

Emergency Request System

For emergency requests call the numbers listed here. Qualifying emergency work requests are listed below.

METHOD	CONTACT INFO.	TIMES
Call Answering Service	508-548-1977	24 Hrs. will page on-call maintenance
Call LHA at Phone Number	508-548-1977	M-F 9AM - 4:30PM (W 9-12PM)
Other		

See attached **Preventative Maintenance Plan** for more details.

List of Emergencies - Emergencies are those conditions which are immediately threatening to the life or safety of our residents, staff, or structures. The following is a list of typical conditions that warrant an emergency response. If there is an emergency condition whether or not enumerated on this list please notify the office or answering service at the numbers listed above. If you have any questions regarding this list or other matters that may constitute an emergency, please contact the FALMOUTH HOUSING AUTHORITY main office.

QUALIFYING EMERGENCY WORK REQUESTS
Fires of any kind (Call 911)
Gas leaks/ Gas odor (Call 911)
No electric power in unit
Electrical hazards, sparking outlets
Broken water pipes, flood
No water/ unsafe water
Sewer or toilet blockage
Roof leak
Lock outs
Door or window lock failure
No heat
No hot water
Snow or ice hazard condition
Dangerous structural defects
Inoperable smoke/CO detectors, beeping or chirping
Inoperable refrigerator

Normal Maintenance Request Process

Make normal (non-emergency) maintenance requests using the following methods:

METHOD	CONTACT INFO.	TIMES
Text Phone Number		
Call Answering Service	508-548-1977	24 Hrs. will page on-call maintenance
Call Housing Authority Office	508-548-1977	M-F 9AM - 4:30PM (W 9-12PM)
Submit Online at Website		
Email to Following Email		
Other		

Work Order Management

- A. EOHLIC review of this housing authority’s operations shows that the authority uses the following system for tracking work orders: PHA Web
- B. We do track deferred maintenance tasks in our work order system.
- C. Our work order process includes the following steps:

Step	Description	Checked steps are used by LHA
1	Maintenance Request taken/submitted per the standard procedures listed above for the Emergency Request System and the Normal Maintenance Request Process.	<input checked="" type="checkbox"/>
2	Maintenance Requests logged into the work system	<input checked="" type="checkbox"/>
3	Work Orders generated	<input checked="" type="checkbox"/>
4	Work Orders assigned	<input checked="" type="checkbox"/>
5	Work Orders tracked	<input checked="" type="checkbox"/>
6	Work Orders completed/closed out	<input checked="" type="checkbox"/>
7	Maintenance Reports or Lists generated	<input checked="" type="checkbox"/>

- D. Additional comments by the LHA regarding work order management:

Maintenance Plan Narrative

Following are FALMOUTH HOUSING AUTHORITY's answers to questions posed by EOHLC.

- A. Narrative Question #1: How would you assess your Maintenance Operations based on feedback you've received from staff, tenants, EOHLC's Performance Management Review (PMR) & Agreed Upon Procedures (AUP), and any other sources?

The Falmouth Housing Authority's Maintenance Department has continued to provide essential maintenance services despite significant operational challenges during the past year, including staffing turnover, vacancies within the maintenance workforce, increased work order volume, and the demands associated with maintaining an aging housing portfolio. Feedback received from tenants, staff, vendors, and EOHLC through the PMR and AUP processes has identified both strengths and areas requiring improvement.

(Answer continued in Attachment below)

- B. Narrative Question #2: What changes have you made to maintenance operations in the past year?

During the past year, several operational changes have been implemented to improve efficiency, communication, accountability, and overall service delivery within the Maintenance Department.

One of the most significant changes has been the implementation of regular daily maintenance meetings. These meetings allow staff to review work assignments, prioritize urgent repairs, discuss safety concerns, coordinate resources, and identify potential obstacles before they impact service delivery. The meetings have also provided an opportunity for staff to share feedback regarding operational challenges and recommend process improvements. This collaborative approach has improved communication among staff and helped management better allocate resources based on current needs.

(Answer continued in Attachment below)

- C. Narrative Question #3: What are your maintenance goals for this coming year?

The Maintenance Department has established several goals for the coming year that focus on improving efficiency, compliance, customer service, asset preservation, and overall operational performance.

The primary goal is to achieve and maintain full staffing levels within the department. Adequate staffing is critical to reducing work order completion times, improving preventive maintenance efforts, completing inspections more efficiently, and supporting vacancy turnover activities.

Once staffing levels are stabilized, the department intends to further reduce outstanding work orders and improve response times for routine maintenance requests.

(Answer continued in Attachment below)

D. Maintenance Budget Summary

The budget numbers shown below are for the consolidated budget only. They do not include values from supplemental budgets, if any.

	Total Regular Maintenance Budget	Extraordinary Maintenance Budget
Last Fiscal Year Budget	\$186,319.00	\$98,651.00
Last Fiscal Year Actual Spending	\$208,565.00	\$103,731.00
Current Fiscal Year Budget	\$236,400.00	\$25,415.00

E. Unit Turnover Summary

# Turnovers Last Fiscal Year	9
Average time from date vacated to make unit "Maintenance Ready"	22 days
Average time from date vacated to lease up of unit	118 days

F. Anything else to say regarding the Maintenance Plan Narrative?

Attachments

These items have been prepared by the FALMOUTH HOUSING AUTHORITY and appear on the following pages:

Preventive Maintenance Schedule - a table of preventive maintenance items showing specific tasks, who is responsible (staff or vendor), and the month(s) they are scheduled

Deferred Maintenance Schedule - a table of maintenance items which have been deferred due to lack of resources.

Snow Removal and Sanding Equipment	Annually	Staff/Vendor										X		

A. Narrative Question #1: How would you assess your Maintenance Operations based on feedback you've received from staff, tenants, DHCD (PMR & AUP), and any other sources?

The Falmouth Housing Authority's Maintenance Department has continued to provide essential maintenance services despite significant operational challenges during the past year, including staffing turnover, vacancies within the maintenance workforce, increased work order volume, and the demands associated with maintaining an aging housing portfolio. Feedback received from tenants, staff, vendors, and EOHLC through the PMR and AUP processes has identified both strengths and areas requiring improvement.

Positive feedback has consistently reflected the dedication of maintenance staff, responsiveness to emergency situations, and the department's commitment to maintaining safe and habitable housing for residents. Staff have demonstrated flexibility in responding to changing priorities, including vacancy turnovers, emergency repairs, inspections, and modernization projects. Tenants have expressed appreciation for staff professionalism and willingness to address urgent concerns.

At the same time, feedback from PMR reviews, internal assessments, and resident comments identified opportunities to improve work order timeliness, documentation, tracking systems, inspection follow-up, and communication regarding repair schedules. Staffing shortages contributed to delays in some routine and non-emergency maintenance activities. To address these challenges, the Authority increased the use of qualified outside contractors and vendors to supplement staff resources and maintain service levels while recruitment efforts were underway.

A significant challenge facing the Authority is the age and condition of the housing stock and the limited funding available to address major capital needs. Many deficiencies identified during PMR reviews involve building systems and infrastructure that require substantial capital investment rather than routine maintenance. While the Authority has consistently identified these needs through Capital Improvement Plans (CIP), PMR findings, Capital Needs Assessments, and annual assessments, funding for many emergency and high-priority capital projects remains unavailable or insufficient. This creates frustration for both staff and residents, as the Authority may receive findings related to conditions that have already been documented and submitted for funding consideration but remain unaddressed due to resource limitations rather than a lack of planning or effort.

The Authority recognizes and appreciates EOHLC's support; however, the current funding environment presents significant challenges for local housing authorities operating older state-aided developments throughout Massachusetts. The cost of maintaining and modernizing aging housing stock continues to increase while available capital resources remain limited. As a result, the Authority has begun evaluating long-term strategies to preserve and improve its housing portfolio, including whether certain developments may be better served through alternative funding structures available under federal programs and opportunities afforded through the Faircloth Amendment. There does not appear to be sufficient funding statewide to fully address the accumulated capital needs associated with aging public

housing portfolios, and this remains one of the most significant obstacles to long-term preservation efforts.

Overall, while the department acknowledges that improvements are needed in several operational areas, we believe we have continued to provide effective maintenance services under difficult circumstances. The PMR process has provided valuable guidance, and management is committed to implementing corrective actions that strengthen accountability, improve efficiency, and enhance service delivery to residents. At the same time, meaningful long-term improvements will require continued investment in the aging housing infrastructure that serves some of the Commonwealth's most vulnerable residents.

B. Narrative Question #2: What changes have you made to maintenance operations in the past year?

During the past year, several operational changes have been implemented to improve efficiency, communication, accountability, and overall service delivery within the Maintenance Department.

One of the most significant changes has been the implementation of regular daily maintenance meetings. These meetings allow staff to review work assignments, prioritize urgent repairs, discuss safety concerns, coordinate resources, and identify potential obstacles before they impact service delivery. The meetings have also provided an opportunity for staff to share feedback regarding operational challenges and recommend process improvements. This collaborative approach has improved communication among staff and helped management better allocate resources based on current needs.

Additional efforts have focused on improving communication between maintenance staff, administration, and residents. Greater emphasis has been placed on tracking work orders, monitoring vacancy turnover activities, and coordinating vendor services to ensure repairs are completed in a timely manner. The Authority has also increased the use of outside contractors when necessary to address workload demands and specialized repairs that could not be completed efficiently with available staffing resources.

The department has begun reviewing existing procedures and identifying opportunities to develop standardized operating procedures (SOPs) for recurring maintenance activities. This process includes evaluating inspection procedures, procurement practices, inventory management, preventive maintenance schedules, and vacancy turnover processes. Management has also increased oversight of maintenance operations through regular discussions with administrative staff to review priorities, monitor progress, and address concerns as they arise.

In response to observations made through the PMR process, the Authority has also focused on improving documentation practices, ensuring maintenance records are more complete and consistent, and strengthening communication regarding inspection findings and corrective actions. These efforts are intended to improve accountability and create a clearer record of work performed.

The Authority has significantly increased engagement with EOHLC's Facilities Management Department and has worked closely with the RCAT Division to identify priorities, address operational concerns, and develop long-term strategies for preserving the portfolio. These collaborative efforts have resulted in several projects moving forward, including the receipt of forward-funded modernization resources for portions of the Chapter 705 portfolio. The Authority appreciates these investments and the support provided by EOHLC staff.

At the same time, these projects have highlighted the extent of deferred capital needs that have accumulated over several decades. Recent modernization efforts have demonstrated that the cost to renovate and return a single Chapter 705 unit to a modern, habitable standard can exceed \$200,000 per unit. While these investments are necessary and beneficial to residents, they also illustrate the magnitude of unmet capital needs throughout the portfolio. Furthermore, forward-funding future modernization projects may create budgetary challenges in later years as resources are expended in advance of future allocations.

The Authority continues to believe that funding limitations remain the single greatest barrier to addressing many of the deficiencies and improvement opportunities identified through the PMR process. While operational changes, improved management practices, enhanced documentation, and increased oversight can improve efficiency and accountability, many of the most significant issues identified within the portfolio ultimately require capital investment rather than procedural changes. The Authority remains committed to working collaboratively with EOHLC to identify funding opportunities and develop sustainable strategies that preserve the housing stock for future generations.

While additional improvements remain necessary, these operational changes and collaborative efforts have created a stronger foundation for future success and have helped position the department for continued improvement. Management remains committed to building a culture of accountability, communication, and continuous improvement that supports both staff and residents. In addition, the Authority is actively engaged in a long-term capital preservation strategy for its state-aided housing portfolio. This effort is ongoing and is being developed in accordance with EOHLC guidance and priorities, while incorporating input from residents, RCAT staff, Facilities Management staff, and local stakeholders to ensure that preservation plans are comprehensive, realistic, and responsive to the needs of both current and future residents.

C. Narrative Question #3: What are your maintenance goals for this coming year?

The Maintenance Department has established several goals for the coming year that focus on improving efficiency, compliance, customer service, asset preservation, and overall operational performance.

The primary goal is to achieve and maintain full staffing levels within the department. Adequate staffing is critical to reducing work order completion times, improving preventive maintenance efforts, completing inspections more efficiently, and supporting vacancy turnover activities. Once staffing levels

are stabilized, the department intends to further reduce outstanding work orders and improve response times for routine maintenance requests.

Another major goal is to strengthen work order management and tracking systems to ensure repairs are documented, assigned, completed, and closed in a timely and consistent manner. The department also plans to improve vacancy turnover procedures by implementing standardized processes that allow units to be prepared for occupancy more efficiently while maintaining quality standards and reducing vacancy days.

The Authority intends to develop and implement written Standard Operating Procedures (SOPs) for maintenance staff and contractors. These procedures will establish consistent expectations, improve accountability, support employee training, and ensure compliance with applicable regulations and Authority policies. Staff training will be expanded to reinforce these procedures and promote best practices in maintenance operations, safety, inspections, customer service, and regulatory compliance.

Additional goals include improving procurement practices to obtain materials and supplies more efficiently and cost-effectively, strengthening preventive maintenance programs, enhancing communication between maintenance and administrative departments, and conducting regular management meetings to review performance metrics, identify challenges, and implement continuous improvements.

The Authority will continue implementation of its long-term capital preservation strategy for the state-aided portfolio. This effort is already underway and is being conducted in partnership with EOHLC, RCAT, Facilities Management staff, residents, and other stakeholders to ensure that future investments align with preservation needs, resident priorities, operational sustainability, and available funding opportunities. The Authority recognizes that preserving aging public housing assets requires a multi-year approach and remains committed to developing a comprehensive roadmap for the future of its portfolio.

Ultimately, the department's goal is to create a proactive maintenance program that provides high-quality service to residents, maintains the Authority's physical assets, preserves the useful life of buildings and systems, and supports full compliance with EOHLC requirements and industry best practices. The Authority recognizes that achieving these goals will require not only operational improvements but also continued investment in the aging infrastructure that serves residents across the portfolio.

Annual Operating Budget

The tables on the following pages show the approved budget and actual income and spending per budget account (row) for the fiscal year ending 6/30/2025. It also shows the approved budget for the current year (2025) if there is one, and the percent change from last year's spending to this year's approved budget. The final column shows the current approved amount for each account divided by the number of housing units and by 12 months to show the amount per unit per month (PUM). The chart does not show a draft budget for the coming fiscal year as that will typically be developed in the final month of the fiscal year.

The budget format and accounts are mandated by the Executive Office of Housing and Livable Communities (EOHLC). For a better understanding of the accounts and discussion of special situations see the notes following the budget tables and the "Definitions of Accounts" at the end of this section.

The LHA maintains a consolidated budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by the LHA. It does not maintain separate budgets for each development.

Operating Reserve

The LHA's operating reserve is the amount of funds that an LHA sets aside to sustain itself during lean years, or to remedy urgent health and safety concern or address deferred maintenance items. In addition, while EOHLC approves a fixed non-utility operating budget level for every LHA (called the Allowable Non-Utility Expense Level, or ANUEL), LHAs can propose a budget that exceeds that level, with the additional cost to be funded from the Operating Reserve, as long as the reserve will still remain above the minimum threshold set by EOHLC.

EOHLC defines a full (100%) Operating Reserve (OR) amount to be equal to one-half of the previous year's operating expenses and requires LHAs to maintain a minimum OR of 35% of this amount to cover any unplanned but urgent needs that may arise during the year and that can't be funded by the operating budget. If the reserve is between 20% and 35% of the full level, the LHA must obtain prior written approval from EOHLC to spend reserve funds, unless the expense is to resolve a health and safety issue. If the reserve is below the 20% level, the LHA can only spend OR funds on health and safety issues. In both cases, the LHA should address the health and safety issue immediately but must retroactively inform EOHLC and obtain its approval.

The FALMOUTH HOUSING AUTHORITY operating reserve at the end of fiscal year 2025 was \$229,295.00, which is 63.86% of the full reserve amount defined above.

Explanation of Budget Accounts

The following explains how each of the line items is to be prepared.

3110: Shelter Rent: The shelter rent projection should be based on the current rent roll plus anticipated changes expected from annual rent re-determinations or as a result of regulatory amendments.

3111: Shelter Rent – Tenants - Fraud/Retroactive: This account should be used for the reporting of total rent receipts from residents due to unreported income. These are often called fraud or retroactive balances. In cases where deficit LHAs discover, pursue cases, and have entered into a written fraud/retroactive repayment agreement **with a present or former tenant who did not report income**, the LHA will be allowed to retain two-thirds of the funds recovered. One third of the total dollar amount recovered should be included in the LHA's quarterly or year-end Operating Statement as Shelter Rent, account #3111, and two-thirds of this total dollar amount should be included in Other Revenue-Retained, account #3691.

3115: Shelter Rent - Section 8: This account applies only to those developments receiving support through the federal government's Housing and Urban Development (HUD) Section 8 New Construction and/or Substantial Rehab Programs.

3190: Non-Dwelling Rental: This account should be credited with the rents, other than tenants rents reported in line 3110 and 3115, including charges for utilities and equipment, billed to lessees of non-dwelling facilities as well as apartments rented for non-dwelling purposes, such as social service programs.

3400: Administrative Fee- MRVP/AHVP: This account should be credited with Administrative Fees to be received for the MRVP/AHVP Program. The MRVP/AHVP administrative fee is \$50.00 per unit per month, as of July 1, 2020.

3610: Interest on Investments – Unrestricted: This account should be credited with interest earned on unrestricted administrative fund investments.

3611: Interest on Investments – Restricted: This account should be credited with interest earned on restricted administrative fund investments. For example, an LHA may receive a grant whose use is restricted to a specific purpose, and the interest income earned on that grant may also be restricted to the same purpose.

3690: Other Operating Revenues: This account should be credited with income from the operation of the project that cannot be otherwise classified. Income credits to this account include, but are not limited to, penalties for delinquent payments, rental of equipment, charges for use of community space, charges to other projects or programs for the use of central office management and maintenance space, commissions and profits from vending machines, including washing machines, and certain charges to residents for additional services, materials, and/or repairs of damage caused by neglect or abuse in accordance with the Department's regulations on lease provisions..

3691: Other Revenue – Retained: This account should be credited with certain miscellaneous revenue to be retained by the LHA, and which is not used to reduce the amount of operating subsidy the LHA is due. The most common examples for this account is receipts for the rental of roof antennas to cell phone providers and net meter credits earned on electricity bills from Net Meter Power Purchase Agreements (PPA's). Generally, surplus LHAs may retain 100% of these savings and deficit LHAs may retain 25% of the savings, with the 75% balance used to offset its need for operating subsidy. However, for the period 7/1/16 through 6/30/20, all deficit LHAs may keep 100% of the net meter credit savings, while they can keep 50% effective 7/1/2020.

3692: Other Revenue - Operating Reserves: This account should be credited with funds that LHAs plan to utilize from their operating reserve accounts in excess of the Allowable Non-Utility Expense Level (ANUEL). To be approvable, LHA must maintain the EOHLC prescribed operating reserve minimum level after deducting the amount budgeted. The only exception to this is when the expenses are for health and safety issues.

3693: Other Revenue – Net Meter: This account should normally be credited with 75% of the total net meter credit savings realized by a deficit LHA, while surplus LHAs with net meter credit savings would enter \$0 here. Savings are calculated as the value of the net meter credits appearing on the LHA's electric bills (or, in some cases, paid in cash to the LHA by their utility company), minus the cost of the payments made to the solar power developer under their Power Purchase Agreement (PPA). Deficit LHAs normally may retain 25% of the savings. That amount should be included as Other Revenue – Retained on line #3691. However, please note that for the period 7/1/16 through 6/30/20 all LHAs may retain 100% of their total net meter credit savings, and should report those savings as Other Revenue – Retained on line #3691. LHAs can keep 50% of savings effective 7/1/2020.

3801: Operating Subsidy – EOHLC (400-1): This account represents all state-funded operating subsidy to be received and or to be earned for the fiscal year. At the end of each fiscal year, this account will be adjusted in the operating statement to equal the actual subsidy earned by the LHA.

3802: Operating Subsidy – MRVP/AHVP Landlords:

The credit balance in this account represents the anticipated total receipts from EOHLC during the fiscal year for housing assistance payments to landlords. At the end of each fiscal year this account will be adjusted to equal the actual subsidy earned.

3920: Gain/Loss from Sale or Disposition of Property (Capitalized or Non-Capitalized): The debit or credit balance of this account represents the following items: a) Cash proceeds from the sale of property that was either: 1) non-capitalized; or 2) capitalized and has been fully depreciated, and b) Realized gain or loss from the sale or disposition of capitalized property that has not been fully depreciated.

4110: Administrative Salaries: This account should be charged with the gross salaries of LHA personnel engaged in administrative duties and in the supervision, planning, and direction of maintenance activities and operating services during the operations period. It should include the salaries of the executive director, assistant executive director, accountants, accounting clerks, clerks, secretaries, project managers, management aides, purchasing agents, engineers, draftsmen, maintenance superintendents, and all other employees assigned to administrative duties.

4120: Compensated Absences: The debit balance in this account represents the actual cost incurred during the fiscal year for vacation, paid holidays, vested sick leave and earned compensatory time. This account includes both the direct compensated absences cost and associated employer payroll expenses (employment taxes, pension cost, etc.).

4130: Legal Expense: This account should be charged with retainers and fees paid to attorneys for legal services relating to the operation of the projects.

4140: Compensation to Authority Members: A local authority may compensate its members for performance of their duties and such other services as they may render to the authority in connection with its Chapter 200 development(s). Compensation for any other program is not authorized. Because of this, LHAs must base such compensation only on the actual rent receipts for these developments plus a prorated share of other operating receipts of funds on a per unit basis. The precise amount that members may be compensated is defined by statute to a maximum of \$40 per member per day, and \$50 for the chairperson per day. The total of all compensation to all board members is not to exceed two percent (2%) of actual gross income of Chapter 200 developments in any given year, consistent with the approved budget amount. In no case shall the payment of compensation exceed \$12,500 annually for the chairperson, or \$10,000 for any member other than the chairperson. Please note the statute requires the member to perform housing authority business in order to receive compensation.

4150: Travel and Related Expense: Legitimate travel expenses incurred by board members and staff in the discharge of their duties for any **state-aided program** are reimbursable from this account, as consistent with Department policy.

4170: Contractual Accounting Services: Fees for accounting services that are provided routinely and are contracted for on an annual basis. Only accounting services performed on a contractual basis (fee accountant) should be included in this item. Full or part-time LHA accounting staff that provides routine accounting services should be included in Account 4110, Administrative Salaries.

4171: Audit Costs: This account includes the state program's prorated share of audit fees paid to an Independent Public Accountant (IPA). The procurement of an IPA is necessary to satisfy the Federal Government's audit requirements. Costs for these services should be shared with all state and federal programs of LHA. **Audit costs are to be absorbed within the ANUEL.** The new Agreed Upon procedures (AUP) audit costs for state-assisted public housing programs should also be included in this account.

4180: Penalties and Interest: Any expenses incurred from penalties, fees, and interest paid on delinquent accounts shall be included in this line item.

4190: Administrative Other: This account is provided for recording the cost of administrative items for which no specific amount is prescribed in this 4100 group of accounts. It includes, but is not limited to, the cost of such items as: reports and accounting forms; stationery and other office supplies; postage; telephone services; messenger service; rental of office space; advertising for bids; publications; membership dues; collection agency & court costs, training costs; management fees, and fiscal agent fees.

4191: Tenant Organization: LTO Funding by the LHA. Upon request the LHA shall fund all LTOs in a city or town at the annual rate of \$6.00 per state-aided public housing unit occupied or available for occupancy by residents represented by such LTO(s) or an annual total of \$500.00 prorated among all such LTO(s), whichever is more. For more information on the creation and funding of LTOs see 760 CMR 6.09.

Authorities which operate computer learning centers, which are funded by the state consolidated budget or by other sources (which are typically recorded in line #3691 as "Other Revenue Retained", should budget the cost of the centers on this line.

4310: Water: This account should be charged with the cost of water and sewer charges purchased for all purposes.

4320: Electricity: This account should be charged with the total cost of electricity purchased for all purposes. Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off- site solar electricity- generating site. In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased or in some cases receives a direct cash payment from their utility company. Please ensure that the amount charged to this account is the total cost of electricity BEFORE any reductions due to the receipt of net meter credits.

4330: Gas: This account should be charged with the cost of gas (natural, artificial, or liquefied) purchased for all purposes.

4340: Fuel: This account should be charged with the cost of coal, fuel oil, steam purchased, and any other fuels (except electricity and gas) used in connection with Local Housing Authority operation of plants for the heating of space or water supplied to tenants as a part of rent.

4360: Net Meter Utility Debit/Energy Conservation: This account is to be charged with costs incurred for energy conservation measures.

4390: Other Utilities: This account should be charged with the cost of utilities which are not provided for in accounts 4310 through 4360. In addition, for all quarterly or year-end operating statements 9/30/20 or later, and all budgets 6/30/21 or later, please use this line to record the total net meter credits earned as reported in Line 4392, MINUS the Solar Operator Costs reported in Line 4391, with the result expressed as a positive number. For example, if you reported -\$20,000 in Net Meter Utility Credits in Line 4392 and \$15,000 in Solar Operator Costs in Line 4391, you would subtract the \$15,000 reported on Line 4391 from the -\$20,000 reported on Line 4392, and post the remainder of \$5,000 on Line 4360, as a positive number. This number essentially represents the "net" savings the LHA earned from its net meter credit contract.

4391: Solar Operator Costs: Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off-site solar electricity-generating site. The LHA makes regular (usually monthly) payments to the developer for its contracted share of the solar electricity produced by the site. Those payments should be entered in this account.

4392: Net Meter Utility Credit (Negative Amount): As noted in account #4391 above, many LHAs have executed Net Meter Credit Power Purchase Agreements (PPA's). In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased from the developer, which reduces the balance on its electric bill, or, in some cases, the credits are paid in cash to the LHA by the utility company. The total gross amount of the net meter credits that appear on the LHA's utility bills should be carried in this account and entered as a negative number. In cases where credits are paid in cash to the Host LHA, the net balance after paying out the amounts due the participating housing authorities, should also be carried in this account and entered as a negative number.

4410: Maintenance Labor: This account should be charged with the gross salaries and wages, or applicable portions thereof, for LHA personnel engaged in the routine maintenance of the project.

4420: Materials & Supplies: This account should be charged with the cost of materials, supplies, and expendable equipment used in connection with the routine maintenance of the project. This includes the operation and maintenance of automotive and other movable equipment, and the cost of materials, supplies, and expendable equipment used in connection with operating services such as janitorial services, elevator services, extermination of rodents and household pests, and rubbish and garbage collection.

4430: Contract Costs: This account should be charged with contract costs (i.e. the cost of services for labor, materials, and supplies furnished by a firm or by persons other than Local Authority employees) incurred in connection with the routine maintenance of the project, including the maintenance of automotive and other movable equipment. This account should also be charged with contract costs incurred in connection with such operating services as janitorial services, fire alarm and elevator service, extermination of rodents and household pests, rubbish and garbage collection, snow removal, landscape services, oil burner maintenance, etc.

4510: Insurance: Includes the total amount of premiums charged all forms of insurance. Fire and extended coverage, crime, and general liability are handled by EOHLIC on a statewide basis. All other necessary insurance policies include: Workers' Compensation, boiler, vehicle liability and owner, etc.

4520: Payments in Lieu of Taxes:

This account should be charged with all payments in lieu of taxes accruing to a municipality or other local taxing body.

4540: Employee Benefits: This account should be charged with local housing authority contributions to employee benefit plans such as pension, retirement, and health and welfare plans. It should also be charged with administrative expenses paid to the State or other public agencies in connection with a retirement plan, if such payment is required by State Law, and with Trustee's fees paid in connection with a private retirement plan, if such payment is required under the retirement plan contract.

Employee benefits are based upon a given percentage of the total payroll; therefore, the total amount approved in this account will be based on the approved budgeted salaries representing the state's fair share.

4541: Employee Benefits - GASB 45: This line covers "Other Post-Employment Benefits" (OPEB). Of the total benefits offered by employers to attract and retain qualified employees, some benefits, including salaries and active-employee healthcare are taken while the employees are in active service, whereas other benefits, including post-employment healthcare and other OPEB are taken after the employees' services have ended. Nevertheless, both types of benefits constitute compensation for employee services. In accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4542: Pension Expense – GASB 68: The primary objective of GASB 68 Statement is to improve accounting and financial reporting for pension costs. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. As with account 4541 above, in accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4570: Collection Loss: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents. Note: Do not include losses from fraud/retroactive balances here. Report them in Account 4571 – Collection Loss – Fraud/Retroactive.

4571: Collection Loss – Fraud/Retroactive: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents due to unreported income, i.e. fraud/retroactive balances.

4580: Interest Expense: The debit balance in this account represents the interest expense paid and accrued on loans and notes payable. This debt can be from operating borrowings or capital borrowings.

4590: Other General Expense: This account represents the cost of all items of general expenses for which no specific account is prescribed in the general group of accounts.

4610: Extraordinary Maintenance – Non-Capitalized: This account should be debited with all *costs* (labor, materials and supplies, expendable equipment (such as many tools or routine repair parts), and contract work) of repairs, replacements (but not replacements of non-expendable equipment), and rehabilitation of such a substantial nature that the work is clearly not a part of the routine maintenance and operating program. The items charged to this account should not increase the useful life or value of the asset being repaired. These items are not capitalized and are not added as an increase to fixed assets at the time of completion. Nor are these items depreciated. An example of this would be scheduled repainting of apartments.

4611: Equipment Purchases – Non-Capitalized: This account should be debited with the costs of equipment that does not meet the LHA's criteria for capitalization. Because these items are being expended when paid, they should not be categorized as a fixed asset and therefore will not be depreciated. These items include stoves, refrigerators, small tools, most computers and software, etc.

The budget is a planning tool and as our portfolio ages it is essential that LHAs evaluate their properties annually and plan for extraordinary maintenance. To that end EOHLIC very strongly recommends that for all 400-1 operating budgets, depending on the age of the portfolio and condition, LHAs spend between \$100 and \$500 a year per unit in Extraordinary Maintenance, Equipment Purchases, Replacement of Equipment, and Betterments & Additions to ensure that the aging public housing stock is preserved.

4715: Housing Assistance Payments: This account should be debited with all housing assistance payments paid to landlords for the MRVP program on a monthly basis.

4801: Depreciation Expense: This account should be debited with annual fixed asset depreciation expenses as determined by the LHA's capitalization policy.

7520: Replacement of Equipment – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment purchased as a replacement of equipment of substantially the same kind. These items, such as vehicles, computers, or furniture, meet the LHA's criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life.

7540: Betterments & Additions – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment and major non-routine repairs that are classified as a betterment or addition. These items meet the LHA's criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life of the asset. Examples are: major roof replacement, structural repairs such as siding, or major paving work.

In accordance with GAAP accounting, inventory purchases (Replacement of Equipment and Betterments & Additions) are distinguished between capitalized and non-capitalized items. Any inventory or equipment purchase greater than \$5,000 is required by EOHLC to be capitalized, inventoried and depreciated. Any inventory or equipment purchase costing \$1,000 to \$4,999 should be inventoried by LHA staff for control purposes only but is not subject to capitalization or depreciation, it is, however, required to be expensed when the items are paid for. An LHA's inventory listing should include both capitalized and non-capitalized items of \$1,000 and more, as well as all refrigerators and stoves of any value. All items that appear on the inventory listing should be tagged with a unique identification number, and all refrigerators and stoves (regardless of value) should be tagged. LHAs may adopt a capitalization policy that capitalizes inventory purchases at a lesser amount than the \$5,000 requirement (i.e. \$1,000 - \$4,999); however, no capitalization policy can have an amount higher than \$5,000. Any inventory or equipment purchases costing \$0 to \$999 are to be expensed when paid for.

Narrative Responses to the Performance Management Review (PMR) Findings

The Performance Management Review conducted by the Department of Housing and Community Development (EOHLC) for the LHA fiscal year resulted in the following ratings. Criteria which received a 'Corrective Action' rating show both a reason for the rating and a response by the LHA. The reason indicates the LHA's understanding of why they received the rating, while the responses describe their goals and the means by which they will meet or improve upon the performance-based assessment standards established by EOHLC in the PMR. When the PMR rating is 'Operational Guidance', the LHA may have responded, but was not required to.

Category: Management

Criterion: Occupancy Rate - the percentage of units that are occupied on monthly report.

Rating: No Findings

Criterion: Tenant Accounts Receivable (TAR) - the percentage of uncollected rent and related charges owed by tenants to the local housing authority (LHA), out of the total amount of rent and related costs charged to tenants.

Rating: Operational Guidance

Criterion: Certifications and Reporting Submissions - timely submission of statements and certifications

Rating: Operational Guidance

Criterion: Completion of mandatory online board member training

Rating: Corrective Action

Reason: FHA does not agree with this finding and formally appealed the rating. FHA's records demonstrate that the Board of Commissioners satisfied the applicable training requirements during the review period. Documentation supporting compliance was submitted as part of the appeal, including an email from Joyce Taylor, EOHLC, confirming that the Board met the mandatory training requirement. This information was provided directly to the Housing Specialist responsible for the review. FHA routinely places Commissioner training reminders on quarterly Board meeting agendas to reinforce compliance

expectations and emphasize the importance of timely completion of required training. FHA believes this finding does not accurately represent Board compliance during the review period.

Response: Although FHA believes this rating was issued in error and that the Board was in compliance with the training requirement, FHA reviewed its procedures for maintaining and reporting Commissioner training records. Training certificates, completion records, and EOHLIC correspondence are maintained in a centralized location to facilitate future reviews. Commissioner training remains a recurring item on quarterly Board meeting agendas to remind Commissioners of training obligations and reinforce the importance of compliance. FHA will continue to monitor training requirements, provide reminders regarding upcoming obligations, maintain supporting documentation, and work collaboratively with EOHLIC to ensure training records are accurately reflected during future PMR reviews.

Criterion: Annual Plan Submitted - Annual Plan (AP) submitted on time

Rating: No Findings

Criterion: Staff completed relevant certifications or trainings

Rating: No Findings

Category: Financial

Criterion: Adjusted Net Income - a measure of overspending or underspending.

Rating: Corrective Action

Reason: FHA received this rating because Adjusted Net Income did not meet the benchmark established by EOHLC during the review period. The Authority believes this result was influenced by several operational and financial factors, including increased maintenance and repair costs, staffing challenges, inflationary pressures affecting materials and contracted services, and expenditures necessary to maintain an aging housing portfolio. Many developments within the portfolio require significant investment to remain safe, habitable, and compliant with applicable standards. FHA has also experienced increased costs associated with emergency repairs and addressing deficiencies identified through inspections and capital planning efforts. The Authority's financial decisions were made to preserve housing quality, protect residents, and address critical operational needs despite limited available resources.

Response: Since receiving the rating, FHA has continued its established financial management practices through regular budget monitoring, expenditure reviews, and coordination among administration, maintenance staff, RCAT, EOHLC Facilities Management, and its fee accountant. FHA has increased the frequency of financial review meetings with its fee accountant to evaluate expenditures, monitor trends, and support informed budgetary decisions. The Authority also reviews vendor relationships and associated costs to ensure services remain necessary, cost-effective, and aligned with operational priorities. FHA continues to incorporate PMR findings, Capital Needs Assessments, and Capital Improvement Plans into financial planning efforts. In addition, FHA agreed to participate in a new EOHLC initiative utilizing a specialized team from Taunton to perform labor-intensive vacancy turnovers, reducing costs and preserving local maintenance resources for other priorities.

Criterion: Current Operating Reserve as a percentage of total maximum reserve level.

Rating: No Findings

Category: Capital Spending

Criterion: Timely spending of capital funds awarded under the Formula Funding program

Rating: No Findings

Category: CHAMP

Criterion: Paper applications are available, received and entered into CHAMP

Rating: Corrective Action

Reason: FHA received this rating based on a determination that a CHAMP processing procedure related to an incomplete application was not followed exactly as expected. FHA appealed this finding after consultation with CHAMP Technical Support and review of the system record confirmed that the workflow sequence and associated timestamps did not disadvantage the applicant or alter the applicant's position on the waiting list. FHA acknowledged that a specific procedural step was not completed in the expected sequence; however, no applicant harm occurred and waiting list integrity was maintained. FHA's appeal was denied, despite evidence demonstrating that the applicant was not adversely affected. FHA believes the finding reflects a procedural issue rather than a failure of application availability, acceptance, or waiting list administration.

Response: Regardless of the appeal outcome, FHA implemented additional internal controls to promote consistency in CHAMP processing. These measures include a written CHAMP Incomplete Application Checklist, supervisory quality control reviews, and staff refresher training regarding application processing requirements. FHA assigned the Assistant Director to receive additional CHAMP training from the system vendor and to conduct biweekly reviews of CHAMP and other state-required data entries. The Assistant Director also communicates regularly with the Housing Specialist regarding questions, concerns, and challenging data entry situations. Since the PMR, both the State Clerk and Assistant Director have participated in multiple CHAMP, policy, and compliance-related trainings. FHA will continue staff training, quality control reviews, and ongoing monitoring to ensure compliance and maintain waiting list integrity.

Criterion: Vacancies are recorded correctly and occupied using CHAMP

Rating: Operational Guidance

Criterion: Fair Housing Policies Uploaded

Rating: No Findings

Category: Facility Management - Inspection Standards and Practices**Criterion:** 100% of units inspected during FYE under review**Rating:** No Findings**Criterion:** Unit inspection reports create, track, and report work orders for inspection repairs, and inspection WOs completed within 30 days or add to DM / CIP**Rating:** Corrective Action

Reason: FHA received this rating because the PMR identified deficiencies in the creation, tracking, and documentation of work orders associated with inspection findings. While 100% of required unit inspections were completed during the review period, the review identified opportunities to improve consistency in the administrative creation, tracking, documentation, and closure of certain inspection-related work orders. FHA recognizes the importance of accurate work order management and has taken steps to improve consistency in these processes while continuing to ensure that inspection deficiencies are addressed in a timely manner and documented in accordance with EOHLC requirements.

Response: Since receiving the rating, FHA requested and received training from EOHLC Facilities Management staff regarding vacancy turnovers, move-ins, work order creation, data entry, and work order processing requirements. FHA's former Maintenance Administrative Assistant transferred to another position within the Authority, and a new Maintenance Administrative Assistant was hired in May 2026 and is currently receiving training. Daily maintenance meetings are conducted to review work orders, inspection findings, priorities, and completion status. Additional oversight has been implemented to ensure inspection-related work orders are properly created, tracked, documented, and closed. FHA is also developing standardized procedures for work order processing and will continue staff training, quality control reviews, and monitoring to improve compliance and documentation consistency.

Criterion: Unit inspection reports accurately reflect necessary repairs

Rating: Corrective Action

Reason: FHA received this rating based on a determination that certain unit inspection reports did not fully reflect all repairs identified during the PMR review process. FHA contracts with an independent third-party inspection company to conduct unit inspections in order to provide objectivity and consistency in the inspection process. The Authority relied upon those inspection reports during the review period and believed they accurately documented observed conditions and necessary repairs. While FHA believes the third-party inspection reports reasonably reflected observed conditions, the Authority recognizes the importance of ensuring inspection reports consistently identify, document, and communicate all repair needs. FHA has worked with Facilities Management staff and its inspection contractor to better understand PMR expectations and improve consistency between inspection findings, work order documentation, and repair tracking.

Response: Since receiving the rating, FHA requested and received onsite technical assistance from EOHLC Facilities Management staff regarding inspections, vacancy turnovers, work order processing, and maintenance documentation. During this visit, Facilities Management staff reviewed an ideal vacant unit turnover process, discussed work order data entry requirements, preventative maintenance scheduling, work order creation standards, and methods for prioritizing deferred maintenance items when funding is limited. FHA has also worked with its independent third-party inspection contractor to improve consistency between inspection findings, repair documentation, and work order tracking. A new Maintenance Administrative Assistant was hired in May 2026 and is receiving training on work order processing and documentation requirements. FHA will continue staff training, quality control reviews, and oversight to improve consistency, compliance, and reporting accuracy.

Category: Facility Management - Vacancy Turnover Standards and Practices

Criterion: Work orders created for every vacancy and completed within 30 days (or waiver requested)

Rating: Corrective Action

Reason: FHA received this rating based on a determination that certain vacancy turnover work orders were not completed within the applicable timeframe or supported by approved waiver documentation. While FHA worked to return units to service as quickly as possible, some units required substantial repairs or modernization work beyond routine turnover activities. The PMR identified opportunities to improve documentation, tracking, and waiver procedures associated with vacancy turnover work orders. FHA recognizes the importance of maintaining complete records and ensuring vacancy turnover activities are properly documented, tracked, and supported by appropriate waiver requests when additional time is necessary to complete required work.

Response: Since receiving the rating, FHA requested and received onsite technical assistance from EOHLC Facilities Management staff regarding vacancy turnovers, work order processing, and documentation requirements. Facilities Management staff reviewed best practices for vacancy work orders, turnover timelines, repair prioritization, and waiver procedures. FHA implemented additional oversight through daily maintenance meetings and regular review of open turnover activities. FHA also implemented

improved tracking of vacancy turnover timelines and waiver requests to better document units requiring extended repair periods. FHA will continue staff training, monitoring, and quality control efforts to improve vacancy turnover tracking, documentation, and compliance.

Criterion: Vacancy turnover work orders accurately reflect necessary repairs

Rating: No Findings

Category: Facility Management - Preventive Maintenance Standards and Practices

Criterion: LHA Preventive Maintenance Plan accurately reflects all necessary work to maximize life of LHA components

Rating: Operational Guidance

Category: Facility Management - Work Order Types and Systems

Criterion: All emergency work orders are created, tracked, reported and completed within 48 hours

Rating: No Findings

Criterion: All requested work orders are created, tracked, reported and completed within 14 days or added to DM/CIP

Rating: No Findings

Additional comments regarding the PMR:

Additional Comments:

FHA appreciates the PMR process and the opportunity to identify areas for operational improvement. However, FHA remains concerned that there is no clearly published PMR appeal process, identified appeal

authority, or established escalation procedure for disputed findings. As a result, FHA submitted its appeal to the same Housing Specialist responsible for the original determinations because no alternative review process could be located. FHA believes any process that may result in corrective actions, strike letters, or increased oversight should include a transparent appeal mechanism with published procedures, defined timelines, and review by a neutral party independent of the original determination. FHA continues to believe certain appealed findings were not fully supported by the facts presented and respectfully requests reconsideration of those items.

Explanation of PMR Criteria Ratings

CRITERION	DESCRIPTION
Management	
Occupancy Rate	<p>The rating is calculated using the following formula: (Total Number of Occupied units on Monthly Report divided by (Total Number of Units Minus Units that Received a Waiver Minus Number of Units Vacant less than 30 days on Monthly Report))</p> <ul style="list-style-type: none"> • “No Findings” : Occupancy Rate is at or above 98% • Operational Guidance: Occupancy rate is at 95% up to 97.9% • Corrective Action: Adjusted occupancy rate is less than 95%
Tenant Accounts Receivable (TAR)	<p>This criterion calculates the percentage of uncollected rent and related charges owed by starting with the amount reported by the LHA, as uncollected balances for the TAR (Account 1122 from the Balance Sheet) minus Normal Repayment Agreements* divided by Shelter (Tenant) Rent (account 3110 from the Operating Statement)</p> <ul style="list-style-type: none"> • “No Findings” : At or below 2% • “Operational Guidance”: More than 2% , but less than 5% • “Corrective Action”: 5% or more
Certifications and Reporting Submissions	<p>Housing authorities are required to submit 4 quarterly vacancy certifications by end of the month following quarter end; 4 quarterly operating statements and 4 Tenant Accounts Receivable (TAR) reports within 60 days of quarter end.</p> <ul style="list-style-type: none"> • “No Findings”: At least 11 of the required 12 reports were submitted and at least 9 were submitted on time. • “Operational Guidance”: Less than 11 of the required 12 reports were submitted and/or less than 9 were submitted on time.
Board Member Training	<p>Percentage of board members that have completed the mandatory online board member training.</p> <ul style="list-style-type: none"> • “No Findings” : 80% or more completed training • “Operational Guidance” : 60-79.9% completed training • “Corrective Action” : <60 % completed training
Staff Certifications and Training	<p>Each LHA must have at least one staff member complete a relevant certification or training During the fiscal year. The number of required trainings varies by LHA size.</p> <ul style="list-style-type: none"> • No Findings: LHAs completed the required number of trainings • Corrective Action: LHAs have not completed any trainings
Annual Plan (AP) Submitted	<p>Housing authorities are required to submit an annual plan every year.</p> <ul style="list-style-type: none"> • “No Findings” =Submitted on time • “Operational Guidance” =Up to 45 days late • “Corrective Action” =More than 45 days late

CRITERION	DESCRIPTION
CHAMP	
Paper applications	<p>Paper applications are available, received and entered into CHAMP</p> <ul style="list-style-type: none"> • No Findings: Paper applications are available; And paper applications are date and time stamped correctly; And 90% of new paper applications are entered into CHAMP within 15 calendar days of date/time stamp; And 2% or less of new paper applications are entered more than 30 days after date/time stamp • Operational Guidance: Paper applications are available; And paper applications are date and time stamped and entered correctly; And 75% - 89% of new paper applications are entered into CHAMP within 15 calendar days; And 3% - 5% of new paper applications are entered more than 30 days after date/time stamp • Corrective Action: Paper applications are not available; Or the LHA has failed to date and time stamp paper applications and/or failed to enter them correctly; Or Less than 75% of new paper applications are entered into CHAMP within 15 calendar days of date/time stamp; Or more than 5% of new paper applications are entered more than 30 days after date/time stamp
Vacancies occupied using CHAMP	<p>Vacancies are recorded correctly and occupied using CHAMP</p> <ul style="list-style-type: none"> • No Findings: All vacancies during the fiscal year are recorded in EOHLC's Housing Applications Vacancy System within 30 days; And the housed Applicant ID and Pull List ID match between EOHLC's Housing Applications Vacancy System and CHAMP for unit occupied during the fiscal year, excluding administrative transfers; And 25% or less of occupied units have data entry errors • Operational Guidance: All vacancies during the fiscal year are recorded in EOHLC's Housing Applications Vacancy System, all vacancies are not recorded within 30 days; Or the Housed Applicant ID and Pull List ID match between EOHLC's Housing Applications Vacancy System and CHAMP for units occupied during the fiscal year, excluding administrative transfers; And greater than 25% of occupied units have data entry errors • Corrective Action: All vacancies during the fiscal year are not recorded in EOHLC's Housing Applications Vacancy System; Or the Housed Applicant ID and Pull List ID do not match (or data is missing) between EOHLC's Housing Applications Vacancy System and CHAMP for units occupied during the fiscal year, excluding administrative transfers

CRITERION	DESCRIPTION
Financial	
Adjusted Net Income	<p>The Adjusted Net Income criterion calculation starts with an LHA’s Net Income and subtracts Depreciation, GASB 45 (Retirement Costs), GASB 68 (Retirement Costs), Extraordinary Maintenance (maintenance expense outside of routine/ordinary expenses), and Equipment Purchases – Non Capitalized. This Adjusted Net Income amount is then divided by the Total Expenses of the LHA. If this Adjusted Net Income amount is positive, it means underspending and if it is negative it means overspending.</p> <p>Underspending Rating:</p> <ul style="list-style-type: none"> • “No Findings” : 0 to 9.9% • “Operational Guidance”: 10 to 14.9% • “Corrective Action”: 15% or higher <p>Overspending Rating:</p> <ul style="list-style-type: none"> • “No Findings” : 0 to -4.9% • “Operational Guidance”: -5% to -9.9% • “Corrective Action”: -10% or below
Operating Reserves	<p>Current Operating Reserve as a percentage of total maximum reserve level. Appropriate reserve level is buffer against any unforeseen events or expenditures.</p> <ul style="list-style-type: none"> • “No Findings” :35%+ of maximum operating reserve • “Operational Guidance”: 20% to 34.9% of maximum operating reserve • “Corrective Action”: <20% of maximum operating reserve
Capital Planning	
Capital Spending	<p>Under the Formula Funding Program (FF), authorities receive undesignated funds to spend on projects in their Capital Improvement Plan. They are rated on the percentage of available funds they have spent over a three-year period</p> <ul style="list-style-type: none"> • “No Findings” = at least 80% • “Operational Guidance” = At least 50% • “Corrective Action” = Less than 50%
Health & Safety	
Health & safety violations	<p>EOHLC has observed conditions at the LHA’s developments and reported health and safety violations. The LHA has certified the number of corrected violations in each category.</p>

CRITERION	DESCRIPTION
Facility Management – Inspection Standards and Practices	
100% Unit Inspections	All units inspected at LHA during FY under review <ul style="list-style-type: none"> • No Findings: 100% of units inspected • Corrective Action: Less than 100% of units inspected
LHA Inspections Reports/Work Orders	Unit inspection reports create, track, and report work orders for inspection repairs, and inspection WOs completed within 30 days or add to DM/CIP <ul style="list-style-type: none"> • No Findings: All inspection work orders/lease violations are created, tracked, and reported; And non-health and safety work orders for inspection repairs/lease violations are completed within 30 days or added to DM/CIP; And health and safety work orders for inspection repairs/lease violations are addressed within 48 hours • Operational Guidance: All health and safety inspection work orders/lease violations are created, tracked, reported and completed within 48 hours; And LHA fail to create, track, or report no more than 1 or 2 (based on LHA size) non-EHS (exigent health and safety) deficiencies; Or LHA failed to complete any non-EHS work orders/lease violations appropriately • Corrective Action: Any EHS work orders/lease violations not created, tracked, reported, or completed; Or 1 of the following: LHA failed to create, track or report a) More than 1 non-EHS deficiency (small LHA); b) More than 2 non-EHS deficiencies (Medium/Large)
Accuracy of LHA Inspections	Unit inspection reports accurately reflect necessary repairs <ul style="list-style-type: none"> • No Findings: c.667 unit has less than 2 EHS deficiencies and c.200/705 unit has less than 3 EHS deficiencies • Operational Guidance: c.667 unit has 2 EHS deficiencies or c.200/705 has 3 EHS deficiencies • Corrective Action: c.667 has equal to or greater than 3 EHS deficiencies or c.200/705 unit has equal to or greater than 4 EHS deficiencies
Facility Management – Preventative Maintenance Standards and Practices	
LHA Preventative Maintenance Schedule Accuracy and Implementation of Preventative Schedules	LHA preventative maintenance schedule accurately reflects all necessary work to maximize the life of LHA components <ul style="list-style-type: none"> • No Findings: c.667 unit less than 2 EHS deficiencies and c.200/705 less than 3 EHS deficiencies • Operational Guidance: c.667 2 EHS deficiencies or c.200/705 3 EHS deficiencies • Corrective Action: c.667 equal to or greater than 3 EHS deficiencies or c.200/705 equal to or greater than 4 EHS deficiencies

CRITERION	DESCRIPTION
Facility Management – Vacancy Turnover Standards and Practices	
Vacancy Turnover Work Orders	<p>Work orders created for every vacancy and completed within 30 days (or waiver requested)</p> <ul style="list-style-type: none"> • No Findings: Vacancy work orders are created, tracked and reported for every unit and reflect all work in unit; And Vacancy work orders are Maintenance Ready in <=30 days for c.667 units or <=45 days for c.200/705 units or have approved waiver • Operational Guidance: Vacancy work orders are created, tracked and reported for every unit; And work orders do not reflect all work completed in unit; Or vacancy work orders are Maintenance Ready in 31-45 days for c.667 and 46-60 days for c.200/705 and no approved waiver • Corrective Action: Vacancy work orders are not created, tracked and reported for every unit; Or vacancy work orders are Maintenance Ready in >45 days for c.667 and >60 days for c.200/705 and have no approved waiver
Accuracy and Standard of Vacancy Turnovers	<p>Vacancy turnover work orders accurately reflect necessary repairs</p> <ul style="list-style-type: none"> • No Findings: c.667 unit less than 2 EHS deficiencies and c.200/705 less than 3 EHS deficiencies • Operational Guidance: c.667 2 EHS deficiencies or c.200/705 3 EHS deficiencies • Corrective Action: c.667 equal to or greater than 3 EHS deficiencies or c.200/705 equal to or greater than 4 EHS deficiencies
Work Order Types and Systems	
Emergency Work Orders	<p>All emergency work orders are created, tracked, reported and completed within 48 hours</p> <ul style="list-style-type: none"> • No Findings: All emergency work orders under review are created, tracked, reported and completed within 48 hours • Operational Guidance: All emergency work orders completed within 48 hours; Less than 100% but greater than or equal to 80% of work orders under review are correctly created, tracked and reported administratively • Corrective Action: Not all emergency work orders are completed within 48 hours; Or less than 80% of work orders under review are correctly created, tracked and reported administratively
CRITERION	DESCRIPTION
Requested Work Orders	<p>All requested work orders are created, tracked, reported and completed within 14 days or added to DM/CIP</p> <ul style="list-style-type: none"> • No Findings: All requested work orders under review are created, tracked, and reported; All work is complete within 14 days or added to DM/CIP • Operational Guidance: All requested work orders completed within 14 days or added to DM/CIP; And less than 100% of work orders under review are correctly created, tracked and reported • Corrective Action: Not all requested work orders are completed within 14 days or added to DM/CIP

Policies

The following policies are currently in force at the FALMOUTH HOUSING AUTHORITY:

Policy	Last Ratified by Board Vote	Notes

* Starred policies are required by EOHLA. Policies without a "Latest Revision" date are not yet in force. The list of policies has been provided by the LHA and has not been verified by EOHLA.

Waivers

FALMOUTH HOUSING AUTHORITY has received the following waivers from EOHLC’s regulations. This list does not include vacancy waivers, pet waivers, or any waivers that would release personally identifiable tenant or applicant data.

Description	Reason	Date Approved by EOHLC	Date Expired
-------------	--------	------------------------	--------------

*The list of waivers has been provided by the LHA and has not been verified by EOHLC.

Glossary

ADA: Americans with Disabilities Act. Often used as shorthand for accessibility related issues or improvements.

AHVP: Alternative Housing Voucher Program

Alternative Housing Voucher Program provides rental vouchers to disabled applicants who are not elderly and who have been determined eligible for Chapter 667 (elderly and disabled) housing.

Allowable Non-Utility Expense Level (ANUEL) is the amount of non-utility expense allowed for each local housing authority based upon the type(s) of housing programs administered.

ANUEL: Allowable Non-Utility Expense Level

AP: Annual Plan

Annual Plan: A document prepared by each Local Housing Authority, incorporating the Capital Improvement Plan (CIP), Maintenance and Repair Plan, Budget, responses to the Performance Management Review, and other elements.

Cap Share is the amount of Formula Funding spending approved by EOHLC for each year.

Capital Funds: Funds provided by EOHLC to an LHA for the modernization and preservation of state-aided public housing, including Formula Funds and Special Capital Funds.

Capital Needs Assessment, similar to the CIP, often used for developments in the Section 8 New Construction/Substantial Rehabilitation program. Such developments are generally not eligible for state capital funds and therefore do not participate in the CIP process. However, to track their ongoing capital needs and plan for construction projects to address those needs, they often conduct a CNA to determine when building systems will wear out and need to be replaced, and what replacement will cost, so they can plan to ensure that the necessary funding will be available

Capital Projects are projects that add significant value to an asset or replace building systems or components. Project cost must be greater than \$1000.

CIMS a web-based software system used for creating CIP's and Annual Plans. For the CIP, the CIMS program allows the LHA to prioritize, select and schedule projects, assign funding sources and direct project spending to specific fiscal years to create a CIP that is consistent with the LHA's FF award amount and FF cap shares, plus any additional funding resources the LHA has identified. The LHA submits its CIP and EOHLC conducts its review of the LHA's CIP in CIMS. For the Annual Plan CIMS imports data from other EOHLC systems and combines that with data entered by the LHA.

CIP: A Capital Improvement Plan (CIP) is a five (5) year plan which identifies capital projects, provides a planning scope, schedule and budget for each capital project and identifies options for financing and implementing the plan. The contents of a CIP are limited to available resources. An approved CIP is required in order to receive Formula Funds.

CNA: Capital Needs Assessment

CPS EOHLC's transparent Web-based capital planning system that catalogues the condition of every building and site in the statewide public housing portfolio, providing LHAs with detailed technical information to make strategic long-term capital investments. It includes a Facility Condition Index (FCI) for every development that compares the value of expired components of a development relative to its replacement cost.

Deferred Maintenance is maintenance, upgrades, or repairs that are deferred to a future budget cycle or postponed for some other reason. Sometimes it is referred to as extraordinary maintenance.

Deficit housing authority: a housing authority whose income (mainly from rent) does not cover all its normal operating costs in its approved operating budget, and which therefore operates at a deficit and requires operating subsidy from EOHLC.

EOHLC: Massachusetts Executive Office of Housing and Livable Communities

Extraordinary Maintenance: see the description for budget line 4610 in the Explanation of Budget Accounts in the Budget Section of this Annual Plan.

FF: Formula Funding

Formula Funding is state bond funding allocated to each LHA according to the condition (needs) of its portfolio in comparison to the entire state-aided public housing portfolio.

FYE: Fiscal Year End

HHA Administrative Fee is the fee paid to an HHA from the RCAT Program budget.

HHA: Host Housing Authority for the RCAT program.

Host Housing Authority (HHA). An LHA selected by the Department to employ and oversee an RCAT.

HUD: U.S. Department of Housing and Urban Development

LHA: Local Housing Authority

LTO: Local Tenants Organization

Management and Occupancy Report: This is an annual HUD review process that is used to evaluate the performance of developments in various HUD housing programs, including the Section 8 New Construction/Substantial Rehabilitation program, which some LHAs operate. It is similar to the state PMR process in that it evaluates LHA performance on variety of financial, housing quality, and other standards

Massachusetts Rental Voucher Program (MRVP) is a state-funded program that provides rental subsidies to low-income families and individuals.

MOR: Management and Occupancy Report

MRVP: Massachusetts Rental Voucher Program's annual review of each housing authority's performance. It pulls together data on the authority's occupancy rates, tenant accounts receivables, accounts payable, budget variance, operating reserve, capital improvement plan submission, capital spending, annual inspections and work order and maintenance systems to identify and address areas of strength and areas for development. Its goal is to allow EOHLC and the LHA to take a deep dive into the data, lift up best practices, and work together towards improving operations voucher Program.

PMR: Performance Management Review

RCAT: Regional Capital Assistance Team

Regional Capital Assistance Team: One of three organizations employed at HHAs designated by the Department to carry out the RCAT Program.

Sec.8 NC/SR (or S8NCSR): Section 8 New Construction and Substantial Rehabilitation

Section 8 New Construction and Substantial Rehabilitation (Sec.8 NC/SR): This term refers to a federal HUD housing program operated at a small number of state public housing developments whose construction was funded by state grants, but whose ongoing operating costs are supported by project-based subsidies from HUD's federal Section 8 program, rather than from state public housing operating funds.

Special Awards: In addition to allocations to each LHA, EOHLC has created limited set aside funds to provide for extreme emergency or code compliance needs which are beyond the capacity of an LHA's current FF balance.

Surplus housing authority: a housing authority whose income (mainly from rent) covers all its normal operating costs in its approved operating budget, and which therefore operates at a surplus and does not require operating subsidy from EOHLC.

The following items have been uploaded as attachments to this Annual Plan.

- Performance Management Review
- Cover sheet for tenant satisfaction surveys

Resident Surveys – Background

Since 2016 DHCD has been working with the Center for Survey Research (CSR) at the University of Massachusetts Boston to survey residents in the state public housing units it oversees. The surveys are confidential, mailed directly to residents, and returned to CSR by mail (or, starting in 2019, completed on-line). CSR surveys residents of elderly/disabled units (also known as Chapter 667) and family units (also known as Chapter 200 and Chapter 705).

During each round all units are mailed surveys, with one exception: in the case of the twelve housing authorities with more than 225 c.200 family units, a randomly selected group of 225 units was surveyed at each housing authority. This group was determined to be large enough to generate statistically useful results. In both rounds, responses from c.200 and c.705 residents are always combined.

Round One Surveys (2016 – 2018)

In Round One of the surveys, CSR surveyed residents of elderly/disabled units (c.667) in three groups in the Fall of 2016, 2017 and 2018. CSR surveyed residents of family units (c.705 and c.200) in the Spring of 2016. (Note: there are many more c.667 units, so they were broken down into three groups).

Round Two Surveys (2019 – 2022)

Round Two of the surveys began in 2019. CSR surveyed about one-third of the elderly/disabled units in Fall 2019, Fall 2021, and Fall 2022. CSR surveyed all family units in Fall 2020.

Round Three Surveys (2023 – 2027)

Round Three of the surveys began in 2023. CSR surveyed about one-third of the elderly/disabled units and one-third of family units in Fall 2023.

LHA Name	FALMOUTH HOUSING AUTHORITY
FYE	Jun 2025
HMS Name	Melanie Loveland-Hale
FMS Name	Todd Lawson

Criteria 1: 100% of units inspected during FYE under review

Rating: No Findings

- Recommendations:
1. Ensure that work orders are created, tracked, and completed for all Health and Safety deficiencies
 2. Ensure that all work orders for all Health and Safety deficiencies are completed in the appropriate timeframe
 3. Ensure that all work orders are completed in the appropriate timeframe or appropriately added to the DM/CIP

Criteria 2: Unit inspection Reports create, track, and report Work Orders for inspection repairs, and Work Orders are completed within 30 days or added to DM/CIP

Rating: Corrective Action

- Recommendations:
1. Ensure that work orders are created, tracked, and completed for all Health and Safety deficiencies
 2. Ensure that all work orders for all Health and Safety deficiencies are completed in the appropriate timeframe
 3. Ensure that all work orders are completed in the appropriate timeframe or appropriately added to the DM/CIP

Criteria 3: Unit Inspection Reports accurately reflect necessary repairs

Rating: Corrective Action

- Recommendations: 1. No Recommendations

Criteria 4: Work Orders created for every vacancy and completed within 30 days (or waiver requested)

Rating: Corrective Action

- Recommendations:
1. Ensure that all work required for a Vacancy Turn Over is recorded in a Vacancy Turn Over Work Order
 2. Vacancy turnovers should be completed within 30 calendar days or less. If cannot complete work within 30 days, LHA should contact Housing Management Specialist for a waiver. Use Online Vacancy System to Apply for Waivers (see PHN 2013 - 07) for Waiver Types (if waiver-eligible) See Handout G

Criteria 5: Vacancy Turnover Work Orders accurately reflect necessary repairs

Rating: No Findings

Recommendations: 1. No Recommendations

Criteria 6: LHA Preventive Maintenance Plan accurately reflects all necessary work to maximize life of LHA components

Rating: Operational Guidance

Recommendations: 1. Create preventive maintenance plan that is specific to each LHA development rather than authoritywide

Criteria 7: All emergency work orders are created, tracked, reported and completed within 48 hours

Rating: No Findings

Recommendations: 1. No Recommendations

Criteria 8: All requested work orders are created, tracked, reported and completed within 14 days or added to DM/CIP

Rating: No Findings

Recommendations: 1. No Recommendations

Criteria 9: LHA Provide a Preventive Maintenance Schedule of Work and Work Orders that encompasses 12 months and meets all criteria as outlined in PHN 2022-10

Rating: Corrective Action

Recommendations:

1. Ensure that work orders created as part of PM plan are labeled correctly as “re-occurring,” or “preventive maintenance.”
2. Ensure that work orders are created for all PM items even if a contractor conducts the work
3. Refer to PHN 2025-06 for assistance with preventive maintenance plan guidelines and specific criteria to be included in LHA PM plan
4. Ensure that the schedule of work developed by your LHA encompasses twelve (12) months and be comprehensive, by development, describing the necessary task and citing the frequency and the party responsible for completing the required work
5. Ensure that the LHA preventive maintenance schedule contains the six (6) core components as outlined in Public Housing Notice 2022-10
6. Ensure that your LHA preventive maintenance plan includes all life safety systems scheduled maintenance (i.e.- elevator inspections, fire sumps/sprinklers/suppression, emergency lighting, fire hydrant testing, alarm systems, security cameras, etc.)
7. Ensure that new or upgraded mechanical/system components are added to your annual PM plan regularly, and have applicable work orders at regular intervals as outlined in PHN 2025-06

Health & Safety Deficiencies

Inspection reports were provided to the LHA at the time of the EOHLIC site visit. Health and safety deficiencies were identified during the PMR Inspection. These items must be completed or initiated within 48 hours. Following completion of these health and safety deficiencies, the Executive Director must login to the FMS software application and certify, by electronic signature, that all health and safety deficiencies have been completed. Please contact your assigned FMS for further assistance.
